Summary: A wish. Sort of sad, I suppose. Not from anyone's POV.

Starlight, Star Bright

Starlight, Star Bright

Starlight, star bright

First star I see tonight

I wish I may, I wish I might

Have this wish I wish tonight.

For that dying host Hork-Bajir

Dying enslaved

For that free Hork-Bajir

Losing its life in the fight

Oh God, they deserve this more than I do

For that peace Yeerk

Dying of Kandrona starvation because it's discovered

For that Arn

Being used for target practice

God, please help

Oh Lordy,

Oh

For that Gedd

Old, tired beaten down

For that Taxxon, disgusting as it is

Blown up, or eaten

I wish, indeed

For liberty

No slavery

None, indeed

Freedom all around the universe

Starlight, star bright

I wish I may, I wish I might

Have this wish I wish tonight

For everyone in the galaxy

The universe

Indeed.
